

Angels needed!

We are setting up a nativity trail around Ripley for Advent. It will open on 5th December and have different windows or stations around the village. More information and a map will be available soon.

We are currently looking for people to make lots of angels!

Anyone can provide an angel – and you can make them however you like. Collage, paint, glitter...We will then put them together as a display for the final 'station' in the church.

So please, children and adults, can you help make an angel?

If you can, please leave your angel in the back of the church by the book stall or post it through the letterbox on the front door.

There will also be angel templates which you can pick up from the back of church if you would like to take one away to decorate.

The church is open every day (approx. 9 – 4pm) and the letterbox available all the time. If you need to make a separate arrangement or need any assistance then please contact churchwardens@ripleychurch.org.uk.
